- Reminder that you cannot set up pens/crates until after noon on Thursday though you can mark off a space before noon. This is because our insurance is not into effect until after noon on Thu.

Hospitality:

- Xmas Party slated for Milly Dec 9th at the Ox Yoke in Wetumpka and since our attendance is so good, we want to start at 6 pm. Milly does need RSVP's so she can pass to Ox Yoke for planning. The club must pay a deposit, but if attendance as good as it has been, the deposit will be returned and the club will use that to cover the gratuity for everyone. Don't forget Dirty Santa – bring a dog related gift under \$15 and enjoy the fun!
- Rosemary will need your titles from the Nov show soonest to get it on your mug for the Xmas party.
- Thank you to Milly & Christina for our refreshments.

Old Business: No Old Business.

New Business.

Jimmy & Maddie with Onofrio. We are so glad to have Jimmy & Maddie with us. Our show will be Jimmy & Maddie's last show as they are retiring from Onofrio. They were married at our show nine years ago, started showing here in '71 or '72 when our Coliseum had a dirt floor. Maddie titled many Sporting Breeds to include Brittany's and Labs and earned Dual Championships on some which is very hard to do. They spoke about how things have changed and we all did our best to make sure they knew they were welcome at our show anytime.

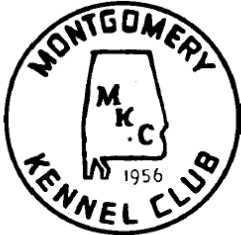

Announcements:

Rea announced that her humane shelter is having a DrawDown on Sat, Feb 20th, 2010 and the first prize is \$10,000. There will be 300 tickets sold at \$100 each and each ticket also gets the ticket holder and one guest dinner at Bonnie Crest Country Club where the DrawDown will be. See Rea for tickets or they can be purchased at the shelter.

There being no further business the meeting was adjourned at 8:15 pm.

Respectfully submitted,

Quotes and Jokes

It came to me that every time I lose a dog they take a piece of my heart with them. And every new dog who comes into my life, gifts me with a piece of their heart. If I live long enough, all the components of my heart will be dog, and I will become as generous and loving as they are.

~Unknown

The one absolutely unselfish friend that man can have in this selfish world, the one that never deserts him, the one that never proves ungrateful or treacherous is his dog. A man's dog stands by him in prosperity and in poverty, in health and in sickness. He will sleep on the cold ground, where the wintry winds blow and the snow drives fiercely, if only he may be near his master's side. He will kiss the hand that has no food to offer. He will lick the wounds and sores that come in encounters with the roughness of the world. He guards the sleep of his pauper master as if he were a prince. When all other friends desert, he remains. When riches take wings, and reputation falls to pieces, he is as constant in his love as the sun in its journey through the heavens. If fortune drives the master forth, an outcast in the world, friendless and homeless, the faithful dog asks no higher privilege than that of accompanying him, to guard him against danger, to fight against his enemies. And when the last scene of all comes, and death takes his master in its embrace and his body is laid away in the cold ground, no matter if all other friends pursue their way, there by the graveside will the noble dog be found, his head between his paws, his eyes sad, but open in alert watchfulness, faithful and true even in death. **George Graham Vest - c. 1855**

Urgent Notice: Potential Danger of Dog Hair.....

In a press release today, the National Institute of Health has announced the discovery of a potentially dangerous substance in the hair of dogs. This substance, called "amobacter caninii" has been linked with the following symptoms in females: Reluctance to cook, clean or do housework, a reluctance to wear make-up, good clothes or high heels. Reluctance to spend money on home or car repairs until after 'Baby' has new collars, leashes, beds, treats, food, blankets or toys.

"Amobacter caninii" usually results in long hours away from home and exhaustion which may lead to a loss of physical contact with other humans (especially husbands and boyfriends).

"Amobacter caninii" is thought to be addictive, driving the need for additional sources - this may lead to a "pack mentality" or like the potato chip commercial, "you can't have just one". Beware! If you come in contact with a female human infected by this substance, be prepared to talk about dogs for hours.

Surgeon General's Warning: Dogs are expensive, addictive, and may impair the ability to use common sense.

Braggs

Keepsake Tollers had a very good weekend at the Cluster recently in Montgomery. Julie - Rigg's Boston Sea Party picked up her 4th major (and a 5 pointer) going WB/BOW/BOS under Ed Biven on Friday. Saturday was Keepsake's Auburn Watermarks - Sailer's turn - picking up his second major also a 5 pointer under judge Maxine Beam and Sunday my pup Troy, Kare's Keepsake Treasure Hunter - was RWD his first weekend out showing. Special thanks to Kaye Stevenson for handling Troy all weekend for me. A mad dash after conformation on Saturday over to the Rally ring netted Rogue her third RN leg to complete her Rally Novice Title and in doing so completed the requirements for the National Toller clubs Versatility Certificate - Rogue is officially SHR AKC/NSDTRC CH Kare's Keepsake Fortune Hunter RN JH WC VC. On another note my Sunni - AKC/ARBA CH KD's Gulf Sunshine CD RN CGC was named as a Regent of Merit with the Toller National Club. It is remarkable for Sunni to have this accomplishment as she only had 9 offspring in her lifetime and it takes 7 titled offspring in multiple venues, including Champions, hunt titles, obedience and agility titles to accomplish this. **Laura Smith**

Tyson, Bryson's brother (my bred by), went BOW on Friday at the Montgomery show. Bryson went WD Saturday and Sunday at the show. **Scot Maushard**

I have two new UKC Champions. Lacey and Gidget both finished their UKC Championships, and Mouse is almost finished. **Joyce Leonard**

My smooth collie Eric (Cablestone's Crowd Pleaser) went Winners Dog to pick up a point on Anniston's day (Friday 11/20). Eric was bred by Diane Cauble. **Amie Perez**

Mykee Tuxedo Finney and Diann's Bella Boo are proud parents of 4 girls and 3 boys Basset Hound puppies born on November 15, 2009. **Faye Finney**

On Friday at the Montgomery Dog Show, Lily took reserve. On Saturday, she won WB and BOB under Edd Bivin and got 2 points! The Saturday night match she won breed and Group! We, well me, are super excited about leaving the pointless club, where I was CEO. **Meg O'Kelley**

Nocturne's Beverly won back-to-back Majors, Best of Winners, the first weekend in Dec 09 at the Forsyth Kennel Club, Inc. shows in Winston-Salem, NC! Thank you to the judges, Ms. Linda C. More and Mrs. Paula Hartinger, for appreciating this high spirited girl who loves to show off. Thanks to Lenny Brown for presenting her. Beverly needs three singles as she approaches her second birthday in January. She is sired by: CH Nocturne's Navigator SchH2 CDX NA NAJ AD KKL1 CGC "A" OFA DNA, and out of CH Arroccres Lover V Kenlyn. Beverly is bred by Helen Gleason. Owned, spoiled by, and lives with JudyLyn Fanning, and co-owned by Linda Bankhead. Beverly will be bred this Spring to CH Melana's Mojito, TC my first Champion; whose mother is 2009 #3 GSD ROM bitch in the country, producing eight champions, including my man! **JudyLyn Fanning**

I have two beautiful new grandpuppies! My *first* Champion....Mojito... has his *first* kids! Moses and Delilah were born by c-section Dec 14 to momma Katie. All are doing fine. I am keeping both of them! Good thing they didn't have ten... lol Proud Grandma! **JudyLyn Fanning**

Rivrvue's Genuine Earthmover (BullDozer) won the Major Saturday Dec 12th in Jackson and earned his title of "Champion". He was our first "show dog" and after hundreds of hours of grooming, thousands of miles traveled, thousands of dollars spent, a lot of anticipation, excitement, frustration, and exhaustion over the past two years I would not trade one penny or one second for anything else. (Well maybe a little to have finished my bedroom and bath) Laura and I have learned a lot and have made a lot of friends. My thanks to all of you for all of your help and guidance. I am looking forward to finishing Holly and seeing what challenges Mickey (our two female bouviers) will bring. Again thank you all. **George and Laura Lemaster**
